Lea Quackenbush is greeted by her friend Marion Mandel, after completing the long distance swim during the Mountain Lake regatta held over the weekend. Mrs. Quackenbush was one of the oldest competitors in the swim which was won by thirteen year old Stephanie Tucker.

Stephanie Tucker breaks Mountain Lake record

Last year's record of 33:55 for the long distance swim from Wintergreen Island to Mountain Park (1 mile) was broken by Stephanie Tucker with the new record of 31:15. This was a highlight for the second annual regatta held by the Mountain Lake Property Owners Association on Sunday, August 5 at the Mountain Park Cottagers property on Mountain Lake.

A flotilla of 30 boats marshalled by Greg Hurrle, Colette Anthon and John Petter toured the lake to declare the regatta officially open. A hot, calm, sunny day was appreciated by all those competing, except the sailors who taxed their expertise to complete the sailing competition as coordinated by Ian Daniel. The Lasers excelled again this year with Blake Marani taking first place in his Laser. George Steeves placed second in a CL 14 and Murray Nevard third in a Windsurfer - Laser.

Mountain Lake boasts a large number of horseshoe pitch players. This new event drew a large number of competitors. The playoffs were tense as the finals went into overtime, but Hector Daoust and Brad Woolvidge placed first and Jeff Mitchell and Jim Clish came second.

In the swimming competition, these were the winners in order of first, second and third places:

8 years & under: 1. Steve Forsbrey. 2. Tom Mahoney. 3. Katie Barbour.

11 & under: 1. Andrew Thuro. 2. Jill Mahoney. 3. Wayne Pegg.

14 & under: 1. Stephanie Tucker. 2. Janice Miller. 3. Donald Powell.

17 & under: 1. Sandy Stephens. 2. Stephanie Tucker. 3. Ellen Newbold.

18 & over: 1. Brad Woolvidge. 2. Peter Tibbles. 3. Karl Pfeiffer.

39 & holding: 1. Ed Forsbrey. 2. Carolyn Mahoney. 3. Leigh Bishton.

Underwater swim: 1. Ellen Newbold. 2. Michelle Spink. 3. Janice Miller.

Long Distance: 1. Stephanie Tucker (33:15). 2. Sandy Stephens (34:27). 3. Janis Miller (38:15).

Canoe events

War Canoe: 1. Carrie Manley, Julie & Ed Forsbrey, Leigh Bishton; 2. Margot & Robert Menzies, Marg Muirhead, Jim Crawford; 3. Kirsten Anthon, Rick Magee, Peter Tibbles, Al Roome. (This event is with paddles).

Swiss Army: 1. Peter Tibbles, Dave Trimble; 2. Marg Muirhead, Marianne Menzies; 3. Karrie & Julie Forsbrey.

Parent & Child: 1. Julie & Ed Forsbrey; 2. Leigh Bishton & Steve Forsbrey; 3. Dave & M. Clair Roszell.

Sprint: 1. Pete & Bob Menzies; 2. Doug & Karen Reeve; 3. Marg Menzies & Monica Muirhead.

Long Distance Canoe: 1. Ed Forsbrey & Leigh Bishton; 2. Peter Muirhead & Rob Menzies; 3. Al Reeve & Jim Barbour.

War Canoe: (without paddles) 1. Ed Forsbrey, Robert Menzies, Leigh Bishton, Julie Forsbrey; 2. Ellen & Peter Muirhead, Margot Menzies, Jim Crawford; 3. Joanne Harrington, Colette Anthon, Peter Tibbles, Dave Trimble.

Children's events

Not to be outdone, the children were busy with their own competitions. In the Sandcastle event the winners were: 1. Katie &

Increase in accidents reflects summer traffic

The increase in the number of visitors in the Haliburton Highlands is reflected in the high number of motor vehicle accidents reported by the Minden detachment of the Ontario Provincial Police. During the past week the police investigated some 44 accidents in addition to 118 general occurances.

A single car accident on Earls Road in Monmouth Township, August 5 resulted in $3,000 damage to a vehicle driven by Terri D. Stain, 18, of Omemee. The driver apparently failed to negotiate a curve in the road sending the vehicle into one ditch where it struck a tree and then crossed over the road into the other ditch before coming to rest on the roadway. The mishap occurred at 1 a.m. The driver was uninjured.

Strain has been charged with careless driving.

The matter is being investigated by Constable Paul Shaughnessy.

Crest collision

Two vehicles collided at the crest of a hill on Watts Trail in Havelock Township August 2, resulting in some $5300 damage to the vehicles. Driver of the first vehicle was Allan J. Cook, 21, of Haliburton, while the second driver was identified as Harold Eveline, 21, of Scarborough.

Eveline has been charged with failing to share half the roadway.

Constable Boyd Jarvis was the investigating officer.

$2,000 damage

A single car accident on County Road 16 resulted in $2,000 damage and minor injuries to the driver. Carol P. Holmes was travelling in a westerly direction when she drove off the side of the road striking some guard rails. The mishap occurred August 2.

Holmes was treated at Minden Hospital for injuries sustained in the accident.

The accident was investigated by Constable Brad Burkholder.

Driver charged

A charge of careless driving has been laid against a Toronto driver following an accident on Highway 35 south of Minden. The mishap took place August 3.

According to the police, Robert Devery, 16, of Toronto was driving north on Highway 35 when the vehicle travelled onto the west shoulder, crossed the highway striking a guide post, then re-crossed the highway again, hitting more guide posts and finally coming to rest in the west ditch where it struck a rock. Damage to the vehicle was estimated at $6,000.

The accident was investigated by Constable Wim Magee.

Motorcycle accident

A motorcycle driver was transferred to Sunnybrook Hospital in Toronto suffering from major injuries following an accident August 4 on Highway 118 west of Carnarvon.

According to the police, Brock Laws, 22 of Mississauga was eastbound when the 1978 model Honda motorcycle struck a guide post on the south shoulder. The driver was thrown off the machine, landing in the south ditch. The cycle bounced back onto the roadway where it was destroyed by fire.

The mishap was investigated by Corporal Steve Adam and Constable Barry Connelly.

Roll over

The driver of a 1980 model Jeep sustained minor injuries when his vehicle rolled over after leaving the Little Kennisis Lake Road August 6.

Richard Burns, 23, was eastbound when his vehicle entered the north ditch and rolled over. Damage to the car was estimated at $5,000. Burns was treated for minor injuries at Haliburton Hospital.

The driver has been charged with careless driving.

The accident was investigated by Constable Mike Maybee.

Loses control

An accident August 6 on the Glamour Lake Road resulted in $4,000 damage to

(more on page 2)

Sidewalk sale set for Saturday

It's that time of year once again when Minden and area merchants say "thank you" to their many customers. The vote of appreciation comes in the form of a giant sidewalk sale this Saturday, August 11.

All day Saturday, Minden merchants will be offering special buys on a wide variety of items. Shoppers will be able to enjoy a relaxed atmosphere on Minden's Main Street as a special shopping mall will be created for one day only. Merchandise will be on display on the street as well as in the stores.

Of special interest with this year's sidewalk sale is an auction sale featuring an excellent selection of antiques and other select items. The auction will begin at 11 a.m. and will be located in front of the Dominion Hotel.

There will also be free balloons for the children and a special treasure hunt sandbox, located in front of Dollo's IGA. Children 12 years and under will have an opportunity to dig through the sand in search of $150 worth of buried coins. What they find they'll be able to keep.

Drivers should note that the Main Street between the bank corner and the intersection with South Water Street will be closed to traffic between 8 a.m. and 6 p.m. Through traffic will be able to use Milne Street.

For more information on the many great buys being offered by area merchants, see the supplement included with this week's edition of The Times.

The final chapter

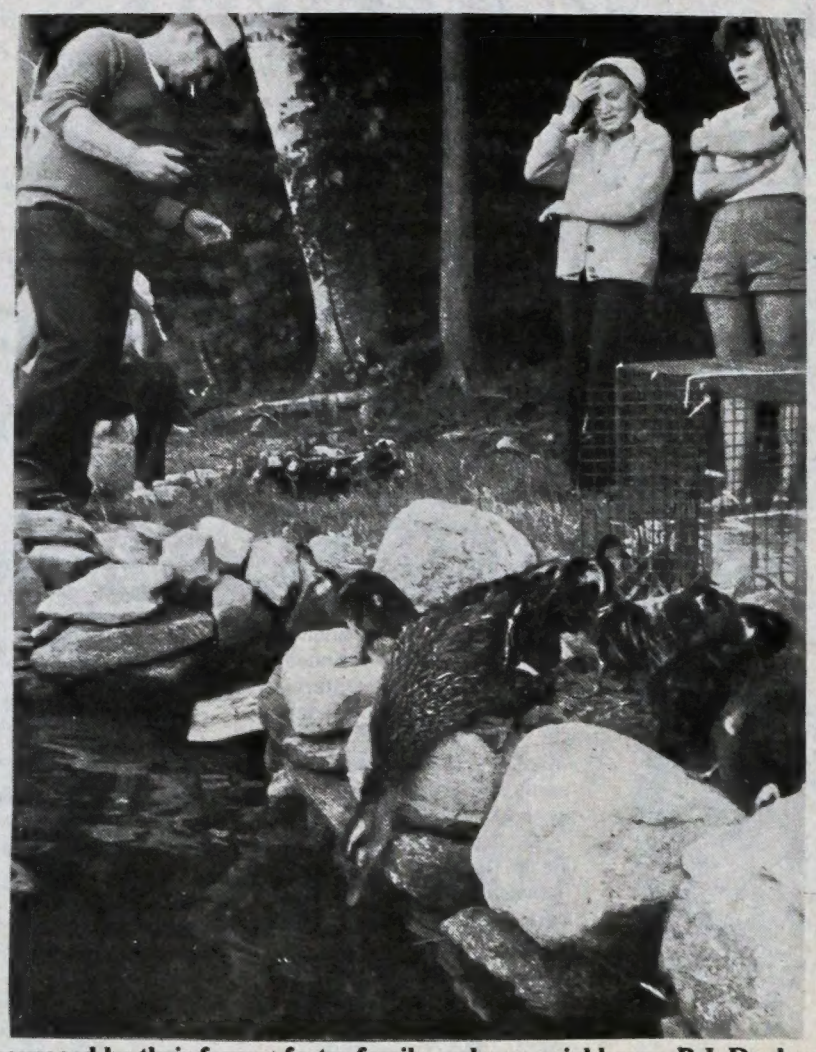
Friends of P.J. Duck and her family will be relieved to learn that P.J. has completely recovered from her injuries and that she and her family have found a new home on Mountain Lake.

As reported in The Times on July 11, P.J. was injured by a snapping turtle on the Gull River.

After receiving medical treatment, the mother mallard and her brood of 13 ducklings have been taken care of by Don Davidson and Edith and Doris Smith.

Rather than releasing the ducks on the river where they would be in danger of being attacked again by snapping turtles, it was decided that the ducks should be set free in a safer environment.

A number of cottagers on Mountain Lake suggested that the family would be safer on their lake and offered their assistance in relocating them. So, on Friday morning, the ducks were carried in their cage to the shore of Mountain Lake and after some encouragement from their new neighbours, P.J. and her family left the cage and began exploring the shoreline. Needless to say they took to the lake like ducks to water.



Encouraged by their former foster family and new neighbours, P.J. Duck and her family gingerly test the waters of Mountain Lake.

Accidents increase

(from page 1)

a 1980 model Oldsmobile. The vehicle was being driven by Ciro Pacilli, 37, of Toronto. He sustained minimal injuries in the mishap.

According to the police, the man lost control of the vehicle as it crested a hill. The car veered into the north ditch and rolled over.

The investigating officer was Constable Brian Ladurantaye.

Strikes tree

A 1979 Datsun model car sustained some $2,000 damage after the driver lost control of the vehicle on Trappers Trail in Dudley Township August 5.

The vehicle was being driven by 20 year old Linda McCord of Oshawa. She lost control of the car on a downhill curve sending the vehicle into the south ditch where it struck a tree.

McCord was charged with careless driving.

Constable Boyd Jarvis was the investigating officer.

Wet road

Wet conditions on County Road 1 are being blamed for a single car accident which occurred August 6. The driver of the vehicle, 22 year old Benjamin Henderson of Toronto, lost control of the car on wet pavement sending the vehicle into the east ditch. The driver sustained minor injuries. He was treated at Haliburton Hospital.

The investigating officer was Constable Brian Dunham.

A waterski show highlighted with a pyramid featured Dan Higginson, Paul Warr, Al Roome and Greg Hurrle.

Special awards were presented to: Ed Forsbrey, the George Anthon Memorial Trophy for accumulating most points.

George Steeve, the Mountain Lake Propery Owners Sailing trophy.

Mike Donnelly, Photo Contest winning dinner for 2 at the famous Hart Lodge, Mountain Lake.

Toma Richard of France, for coming the longest distance to the regatta.

The Property Owners of Mountain Lake are grateful to Robert Hurrle for organizing a successful exciting day and to his committee: long distance swim, Jim Forsbrey; Sailing, Ian Daniel; Swimming, Al Reeve; Canoe events, Steve Taylor; Photo contest, Bennett & Divell Families; Horseshoe pitch, Bruce Tibbles; Long distance certificates, Calligrapher, Irv Mandel; Waterski show, Al Roome; Children's games, Pam Warrack; Emcee, Steve Taylor; Co-ordinator, Libby Hurrle.

A special thank you to Pat and John Bath for the use of their beach and providing a delicious barbeque to wrap-up the festivities.

July weather

by Phil Graham

	C	F
Average high	24.6	76.2
Average low	11.0	51.8
Averge for month	17.8	64.0
Average for last July	19.4	66.9
Highest temperature July 1	29.0	84.2
Lowest temperature July 8	5.0	41.0
Rainfall	113.5mm	4.4 in.
Rainfall last July	43.6 mm	1.7 in.
Days with rain	9	
Days cloudy	12	
Days clear or mostly so	17	
Days with thunderstorms	6	
River water temperature July 31	22.5	72.5

Heard a lot of complaints about July just past, compared with July 1983. Last July was very hard to beat. This July we had almost 3 times as much rain. This helped to drop the average temperature almost two degrees. These temperatures convert to metric evenly. 10 C is 50 F. 20 C is 59 F. 20 C is 68 F. 25 C is 77 F. 30 C is 86 F.

Audrey Grant painting chosen for collection

A painting by Susan Spencley of Cavan, Ontario has been selected as the best painting of the Juried Fine Art Show held at the Agnes Jamieson Art Gallery.

The pen, ink and watercolour painting was also selected as the best of the open category.

The exhibition of 52 paintings was judged by Brian Atyeo, an artist and instructor from Keene, Ontario.

Anson, Hindon and Minden Reeve Lyle McKnight presented the awards for the winning entries on behalf of the municipality on Friday, August 3. The Fine Art Show was the first of three juried exhibitions that are being sponsored by the municipality as part of the 125th anniversary celebrations.

There were two general categories in the show. Residents of the municipalities of Anson, Hindon and Minden were judged in the first category, and residents from outside the municipality competed in the second.

Atyeo praised the flawless composition and balance of the Spencley painting describing it as "a real gem".

The painting "Rainy Day Cottage" by Audrey Grant was selected as the best of Anson, Hindon and Minden category. The painting by Mrs. Grant, whose works were exhibited at the gallery in December 1983, will be retained by the Agnes Jamieson Gallery as part of the gallery's permanent collection.

Gwen Kushner of Moores Falls won the best of the watercolours and acrylics for her painting of a Blairhampton farmhouse entitled "Of Days Gone By".

The adjudicator described her entry as a great technical painting that produced an interesting three dimensional effect. Her painting "Brambles" received an honourable mention in the watercolours class.

Lois Smith of Peterborough won the award for the best of the pen and ink category.

Tracy Beaucage of Minden received an honourable mention for her drawing "Resting Child" which Atyeo described as "a beautifully shaded sketch" that "showed an indication of real talent."

A painting by James Stewart of Haliburton was chosen as the best of the mixed media category.

The best of the oil painting category was won by Ted Toogood.

Honourable mentions also went to Mary Wallace for her watercolour "Minden Birches", Fred Seedhouse from Norland for his work "Flowers - Impressions" and Sadie Barnes of Lindsay for her watercolour.

The second juried art competition, Fabrics and Fibres, will be exhibed in the gallery from August 24 - 28.

Gwen Kushner, winner of the Best of the Watercolours category in the juried fine arts competition held at the Agnes Jamieson Gallery in Minden Friday evening, discusses her painting with Brian Atyeo the adjudicator of the show. Her painting, 'Brambles' seen in the background, received an honourable mention in the watercolours category.

Man charged in assaults

A Peterborough man has been charged with two counts of sexual assault following an investigation by officers from the Minden detachment of the Ontario Provincial Police.

According to a report from the authorities, the police were called to investigate an incident August 4 at 12:35 p.m. on Tamarack Road in the Gooderham area. Subsequent information received by the police resulted in the uncovering of a second incident which is alledged to have taken place at Horseshoe Lake, also in the Gooderham area.

Police have arrested Brian Callaghan, 27, of Peterborough following the investigation. The man is currently being held in Lindsay jail. He was expected to appear for a bail hearing Tuesday (August 7).

The man has also been charged with mischief as a result of damage done to the interior of the police cruiser.

The investigating officer is Constable Brian Dunham.

Damage complaint

A Toronto man has been charged with mischief following a number of stone throwing incidents between July 29 and August 3 in the Haliburton Lake area.

According to the police an individual in the area of South Bay damaged a cottage roof, broke a headlight and struck a person with a rock. An investigation over a six day period involving eight officers from the OPP resulted in charges being laid against Thomas Allgeier, 20, of Toronto. He has been charged with public mischief.

The matter is being investigated by Corporal Steve Adam.

Thefts

Two thefts involving camera equipment were reported during the past week.

Police are investigating the theft of a camera bag, including a camera, lenses and two speakers taken from a car parked at the Dixie Lee lot in Haliburton. The missing property, valued at $600, belonged to Martin Duncan of Minden. Constable Barry Connelly is investigating.

A camera, two lenses and a tripod were taken from the rear seat of a car belonging to Thomas St. Amand of Toronto. The theft is believed to have taken place either while the car was parked in Haliburton Village or at a cottage on Drag Lake. The equipment was valued at $900.

Both thefts took place August 3.

Charges

The Minden detachment of the Ontario Provincial Police are continuing their crackdown on impaired drivers. During the past week officers from the detachment have laid seven impaired driving charges and issued nine 12 hour temporary driving suspensions.

Four individuals have also been charged with driving without proper insurance coverage. The OPP notes, "All vehicles, cars, trucks, motorcycles and all terrain vehicles are required to carry proper insurance coverage when being operated on a public road, no matter how short the distance might be."

A significant contribution

There are many facets to a community, especially one which strikes an active, progressive profile. In a village the size of Minden, the contribution of each citizen, group and organization is important, for unlike other centres with larger populations, there is little room for people who only spectate.

One of the brighter facets of this community in the past few years has been the Agnes Jamieson Gallery at the Minden Library/Cultural Centre. Though small, as far as galleries in Ontario go, it has made an important contribution to the facric of this community. The gallery has, in its short existence, brought an interesting and varied selection of exhibitions to the community. Children's art classes have been sponsored through the gallery and youngsters have been encouraged to become interested in art through an annual show featuring the best of their work.

The latest contribution by the gallery opened Friday with the first of three juried art shows. Held to commemorate the 125th anniversary of the community, the shows provide a forum for local artists to display their ability. The top work from these artists will also become part of the gallery's permanent collection, adding significant pieces to the gallery's holdings.

The gallery is, of course, more than a building or a collection of art. We salute the people who have made this facility a vital part of the community, the committee, the staff and the gallery supporters. This latest program of juried shows, (two more are yet to be held) demonstrate the significant contribution the Agnes Jamieson Gallery is making in this community.

After the rain

letters

Editor:

Just a note to publicly thank the Minden Hospital for the attention, care and kindness shown to my sister Isabel Corcoran on a very busy Holiday Saturday in their emergency department. The doctors and nurses once again do a great service here in Minden as well as our surrounding area and deserve a pat on the back.

Theresa Carroll
Gull Lake

Editor:

Thank you for your coverage of this issue in last week's Times. It has set the stage for the response of the residents of Highland Gate Estates.

Firstly, we object to C.M.H.C. attempting to implement its social wel-fare program in our subdivision. There are areas in the municipality where C.M.H.C. can build (or buy) a suitable unit for a reasonable price.

Secondly, we strenously object to the manner in which C.M.H.C. is implementing its program in Minden and areas in general. One only needs to look at the three new and highly visible housing opportunities on Prince St. (priced at $81,000 each for a total of $243,000) to see the validity of this argument. These housing opportunities have monthly carrying charges of about $1,000 each (principle, interest, taxes and frontage charges), with only a fraction of this cost being borne by the owners and the balance by us the taxpayers at large.

We submit therefore, that for C.M.H.C. to build a

SECOND CLASS MAIL REGISTRATION NO. 0936

The fox and the hound

jack's world

by editor & publisher Jack Brezina

I've tried to be very careful about this, but an occasional lapse of memory is inevitable. As it turned out, just the other day I got caught, for the second time in 1984.

For those who are unaware, as editor and publisher of this newspaper I issued a challenge at the beginning of the year. To help mark the 125th anniversary of the municipality of Anson, Hindon and Minden, I vowed to wear something each day of the year with the word Minden on it. During the first seven months I have donned hats, T-shirt, buttons and other manner of clothing bearing the Minden name. I offered a free subscription to anyone who caught me without my 'Minden' on, the only stipulation being that they must also be wearing something with the name Minden on it.

Members of my family were helpful, checking over the wardrobe each morning to ensure I was not without my Minden. As I said there were occasional lapses, times when I'd find myself downtown and realize I was without my Minden. The result was a sudden dash for home or office to find the pin or hat I had left behind.

During the first half of the year I was only successfully challenged once, when Sue Pye caught me moments after returning from a trip to Toronto. That was until last week.

One of the most persistent challenges for a free subscription has been mounted by Dwight Thomas. Dwight has a major advantage over other residents of the community. As a member of the Minden ambulance corps his uniform has a shoulder flash bearing the name Minden. Dwight also does some double duty behind the bar at the Rockcliffe Tavern where he wears a T-shirt promoting the tavern and the community.

Dwight's efforts had created something close to a paranoia in myself. Even when I was wearing a Minden button, I would avoid him, crossing the street so we wouldn't meet. After all, I was the hunted and he was the hunter.

Dwight's persistence finally paid off, as I guess, we both knew it would. The other day, without hat, or button or T-shirt, we finally met face to face. Of course, he was ready for that moment and had his Minden ready for the challenge.

So, Dwight has claimed the second subscription of the great 1984 Minden Challenge. Congratulations to him on his win and finally the chase is over.

But that doesn't mean the challenge is over. There are still four and a half months to go, so don your Minden insignia and search out yours truly. You never know when you just might catch me without my Minden.

Good times in Gooderham

The community of Gooderham marked the holiday weekend with the annual Gooderham Horseshoe Days sponsored by the Township of Glamorgan Parks and Recreation Committee.

Bruce County, one of the top bluegrass bands in the county, provided the entertainment for the dance that opened the celebrations on Friday night.

The band was also on hand to accompany some of the entries in the talent contest held Saturday afternoon. In the 14 year old and under class Troy Kennedy sang his way to a first place finish. Five year old Kelly Preece won the second place prize and David Harrison placed third. Melvin and Michael Mintz were awarded an honourable mention by the judges.

In the 14 year old and over class, singer-guitarist Steve Allen was chosen as the best performer. Ted Hadley placed second and Robin Billings was third. An honourable mention went to Rachael Godjos.

While the talent contest was being held in front of a large and appreciative audience, the horseshoe tournament and four team baseball tournament continued.

The Irondale Men's team emerged as the overall winners of the baseball tournament. The Gooderham Men's team won the consolation round.

In the horseshoe doubles competition Bill Gargayl and Brian Roberts took first overall. Harvey Roberts and Don Trooper were second and the duo of Bruce Armstrong and Ron Young placed third.

In the singles competition Bruce Armstrong was the top player; Frank Shrewring placed second and Bob Hunter came in third.

In the canoe races held Saturday morning, Joe Billings and Alfred Trotter were the winning pair.

A large crowd was on hand Sunday to cheer on their favourite drivers during the demolition derby. Kemp Merritt, who placed second in the opening heat, drove to a first place finish in the feature event. Craig Pettit lasted long enough to pick up second place. Philip Billings was declared the winner in the Free-for-All and Chris Kay won the Powder Puff event.

In between heats at the demolition derby a tug-of-war was staged and for the fourth year in a row the team from Winona Lake took home the trophy.

In addition to the winners of the various competitions there were two winners of the lucky draws. John Packman was the winner of a hind quarter of beef and Mike Chambers won the gas barbeque.

Six contestants signed up for the beard growing contest which will be held during the Klondike Jubilee on September 8 in Gooderham.

Clockwise, from above, Children on the playground equipment; Avery Spencer, master of ceremonies of the talent show; Sliding into second during the baseball tournament; Steve Allen, winner of the 13 and over talent contest.

from the chamber

In a co-operative advertising program with Central Ontario Travel, we are in the process of printing a winter advertising package for all our members. A representative will be calling on you soon to offer space to suit your needs. However, if you feel an alternate means of advertising you will better suit your needs, please call the Chamber office. We feel the new approach is sound, but we would like to hear our members opinion.

Visitors welcome

The staff at the Chamber office have been busy this summer. They have personally attended to 1505 visitor enquiries since the end of June.

C.H.A.C.E. Place

County of Haliburton agency for child enrichment (C.H.A.C.E.) would like to increase their membership. If you do not already know, C.H.A.C.E. Place is a Parent Child Resources Centre located at the Lakeview Centre in Haliburton.

In addition to the daily drop in program for parents and children, they offer a reference library, a toy library, an equipment rental service and parenting workshops. The cost of a membership is just $12.00 and the membership fees are used to support the drop in service which is offered "free" to parents and helps support the other services offered for which only a minimal fee is charged. This is a great program for young families so let's help our children and grandchildren to get off to a good start by supporting C.H.A.C.E. Place.

Haliburton Highlands Museum

Local residents and cottagers who are looking for an interesting outing should take the time to visit the Haliburton Highlands museum. In the gallery of the museum are 22 new displays with the "theme Early Days in Haliburton 1860 - 1875". Downstairs, until September 30 is a travelling exhibit from Parks Canada called shoes, ships and sealing wax. Also take the time to visit the heritage home, it is designed and furnished in the style of 1890 and is located on the museum grounds.

Guided tours are available and the museum is open daily 10 - 5 from Victoria Day to Thanksgiving, and Tuesday to Friday daily 10 - 5, and Saturday until 2 p.m. for the remainder of the year.

The museum is located on Highway 118 just outside of Haliburton Village near Sir Sandford Fleming College. try it - you'll be glad you did. 457-2760.

Meeting

The Haliburton Highlands Nordic Ski Trail Association will be holding a meeting at Sir Sandford Fleming College on Thursday, August 9 at 8 p.m. All members and guests welcome.

New member

For many years now the Haliburton County Farmers Association has been serving the farm community of Haliburton, in providing a medium for education and marketing programs, and representing agricultural interests in forums outside the county.

Last year the association took a bold new step realigning its priorities, developing more relevant programs, and assuming a more definitive role within the community as a whole.

Actively pursuing the interests of area youth through a more active 4-H program, as well as maintaining the agricultural motif at the local fairs, with active directors for both endeavours, are examples of the new look to the association. Specific interests or farming activities, are each represented by directors elected to fulfill specific obligations.

An active test plot program, farmers market, and annual sugar bush tour highlight some of the activities. Livestock producers also are well represented, with a burgeoning growth in the small animal sector.

The Haliburton County Farmers Association has always welcomed new ideas, concepts, and the close sense of community which we all share. Show your support by taking the time to learn about agriculture in Haliburton County. Plan to make the time to attend events at the county fair, or meet some of the market gardeners at the 'farmers market', Saturday mornings in the Minden municipal parking lot.

An energetic fund raising group has helped swell the coffers in adding some financial credibility to the associations' undertakings. Be sure to obtain your tickets for the 'farmers hop', celebrating the harvest with a live band, for Saturday, September 15 at 8 p.m. in the Minden community centre.

The president, Randy Warburton, has led the association in pursuing a more prominent profile within the community, as the organization presents its case for a stronger agricultural base as part of the economic development of the county.

Our mistake

Our new Chamber member noted in last week's column, The County Feed Store in Haliburton Village phone number should have read 457-2251.

house in Highland Gate Estates that is compatible with the established character of the subdivision, it would cost much more than the $81,000 bench mark established by the Prince St. units. Of course if C.M.H.C. does not build a compatible housing opportunity then our property values, we feel, would suffer significantly. Sound like a no-win situation? You bet it is!

Our clear and reasonable alternative to this current C.M.H.C. orchestrated dilemma is for them to adopt a reasonable approach in the implementation of their Rural and Native Housing Program in Minden.

It took a truly ludicrous proposal like this one on the part of C.M.H.C. to shock us into awareness of the problem with the current administration of this Rural and Native Housing Program; but we have now decided to be heard and to make others aware.

We are now advised by the developer that we have the support of Highland Gate Estates in opposing this current proposal in our subdivision, and we can only say we think the company has made the right decision with us.

As for our meeting with the Municipality, we simply wanted to make them aware of our concerns in general, and to persuade them not to give their tacit approval to this current ludicrous proposal by selling the municipality owned lot to C.M.H.C.

We feel the editor of The Times is correct in saying that the entire community benefits if improved housing is provided for its citizens. In this instance however, the end is rendered shabby by the means.

If anyone else feels that C.M.H.C. is out of line in the implementation of its Rural and Native Housing Program in Minden, and other communities in the County, then we urge you to get the facts and make your concerns known to your M.P. With an election coming this fall, what better time to deal with this issue in its broadest sense.

Donkey Baseball comes to Minden

Baseball with an interesting twist comes to the Minden diamond later this month when Donkey Baseball arrives in town.

Donkey Baseball is an interesting variation on a great American tradition. Players are posted at the usual positions, but they must have a donkey with them at all times. The catcher and pitcher are the only two players who need not be astride their mounts to play. These players are restricted to specific areas. The batter stands at the plate while an assistant holds his donkey. Upon hitting the ball, the batter must mount the donkey and ride to first base.

The members of the infield and outfield team must hold onto their donkey's reins when chasing the hit. They are only allowed to throw the ball when astride their mounts.

The donkeys, provided by Jim Smith Enterprises of Woodlawn, Ontario, are specially trained to do what donkeys do best, act in a contrary manner. Fielders wishing to go in one direction will find their playing partners headed in another direction or not wanting to move at all. On a number of occasions they are not above kicking up their heels and sending a player flying off into the turf.

The Donkey Baseball presentation is being sponsored by the Minden Recreation Committee. Several of the local participants have already been chosen for the game. Included on the team rosters are Publican Dave Willis, Township Councillor Gary Kenney, Restauranteur Molly Lawson and Solicitor Fraser Rogers, among others.

The game is slated for August 21. Admission to the game will be $3 for adults and $1 for children.

Minden BIA president Gordon Monk, presents a cheque for $100 to young Barry McCrackin of Seabright, Ontario. Barry and his cousin Roger Muir discovered the "Big Red" balloon released at the Canada Day celebrations in Minden. The balloon carried a message from Reeve Lyle McKnight offering a $100 reward if the note was returned by August 1. The boys found the balloon dangling from an eavestrough attached to a neighbour's barn. Barry and his family, Ken and Doreen, his parents and his sister Julie were vacationing in the area last week and took the opportunity to claim the prize.

60th regatta for Gull Lake

More than 200 members of the Gull Lake Cottagers Association participated in their annual Regatta on August 4 in University Bay. this was the 60th Regatta of the Association, making it the oldest in Haliburton County. A beautiful, sunny, almost windless day attracted a record crowd, but necessitated postponement of the sailing races.

Enthusiastic cottagers of all ages competed in swimming, canoeing and running events organized by Michael Jewett, Commodore. A highlight of the Jubillee Regatta was the new Gull Lake Iron Persons Contest. Three-person teams each including at least one female, jogged, swam and paddled in a relay, to the enthusiastic cheers of family and friends.

The Bedlington Trophy for the overall best 16 and under athlete was donated in 1924 by the late Mrs. W. A. Bedlington, who was sadly missed. This year the cup was presented by her daughter Lyndsie Lewis to the winner Alex Litwin, with Debbie Koopman second, Kim and Chris Sharpe tied for third and Debbie Zidy fourth. Lyndsie had been awarded the cup permanently in 1926 for winning it three years in a row and redonated it in perpituity in 1946.

The Treadgold Trophy for the overall best under 12 athlete was won by Kelly Williams with a near perfect score: 23 of a possible 25 points. Chris Barrett and Mark Pickford tied for second, with Kathy Koopman third, and Stuart Warren fourth. Mr. Dan Treadgold presented the trophy and prizes.

The Cregar paddles were won by Lisa Hill and Alex Litwin. The Earle paddles went to Kelly Williams and Mark Pickford. The Minto Trophy, donated by the Minto family is awarded to the adult accumulating the most points in canoeing events. This year there was an unprecedented three way tie for first place, between Peggy Azia, Steve Kennedy and Terry Kennedy. The trophy was presented by May Minto, representing her family. The Gull Lake Iron Persons for 1984 are Kim Sharpe, Chris Sharpe and Lisa Hill (16 and under); Robb Hutchinson, Kevin Sharpe and Sandra Killen (17 to 35); Michael, Brenda and Peter Jewett (Masters).

The windless weekend resulted in postponement of the Duncan Cup and the new Windsurfer Race to Saturday, August 25th at 10:30 a.m. (meet at Gull Rock).

Prizes for all races and for the raffle were donated by the generous merchants of the area. The Association thanks all who donated, listed in the "Thank you" ad in the classified pages, and to all the cottagers who wholeheartedly and with much zest purchased a record - breaking number of raffle tickets.

The Association and its President, John Warren, also thank Brenda, Edna, Eleanor and Peter Jewett, Harry Catlin, Tim Sharpe, Bill Koopman, Bill Williams, Carolyn and Bill Treadgold and the many others who contributed their energy and enthusiasm to a very successful 60th Regatta.

Michael Jewett

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop-up, close and convey to the abutting property owners, those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original allowance for road along the shore of Boshkung River, lying in front of part of Lot 6 Concession 3 and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3040.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BYLAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 12th day of September, 1984 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, Solicitor or agent, any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED: July 16, 1984.

Gerald C. Bain, A.M.C.T.,
Clerk of the Corporation of the
Township of Stanhope, R.R. #1,
Haliburton, Ontario. K0M 1S0.

outdoors

Federation of Ontario Naturalists

If you have read George Orwell's sobering scenario for life in 1984, you no doubt greeted the new year's dawn with just a little uneasiness. But this year, we have reason to take a moment to enjoy a backward glance at some historic achievements, before turning again to face an unknown future.

No doubt you have seen and heard a lot about Ontario's bicentennial. And we Toronto residents have our own sesquicentennial to sing about (or chatter about, the official mascot being a squirrel.) But there is yet another anniversary celebration going on which, to my mind, deserves special mention.

Seventy-five years ago, in 1909, the governments of Ontario, the United States and Minnesota established the Quetico Forest Reserve, the Superior National Forest and the Minnesota Game Reserve respectively. Four years later, in 1913, Quetico became a provincial park. Since then, the Ontario, U.S. and Minnesota governments have worked closely together to manage this unparalleled wilderness.

It's not all been easy paddling. Many decades passed, marked by pitched battles between conservationists, loggers, sportsmen and industrialists, before the Ontario government confirmed that its wilderness values out-weighed all else by designating Quetico as a wilderness park in the early 1970's. These tensions still linger on. As well, the art and science of caring for a diverse and changing wilderness environment is not yet fully developed, as any park official can tell you. So there is every reason for individuals like you and I to remain vigilant, ensuring that the foresight and dedication of people 75 years ago will live on in this most magnificant legacy another 75 years from now.

If you are interested, a new organization has just formed to help in this cause and to promote wider public recognition of Quetico's natural wonders. It's called the Friends of Quetico. Park Officials also have a host of special events organized this summer, including a photo contest for amateurs and professionals alike. Information on both the "Friends" and the contest can be obtained by contacting; Atikokan District Manager, Ministry of Natural Resources, 108 Saturn Avenue, Atikokan, Ontario. P0T 1C0.

A precise definition of the name Quetico eludes historians. But it's an old Ojibwa word, likely borrowed from Cree, that connotes the presence of a benevolent spirit. If we tread lightly, that spirit will remain.

Playoffs stalled - tourney Friday

Due to the weather last week the Tri-County Fastball Playoffs didn't get under way but they will get started (weather permitting) tonight, August 8 at the Minden ball park.

The Minden Rockcliffe Hustlers will meet the Lindsay Kent Tavern in a best of five series for the championship. This should be a very good series as these two teams had very close games all season. The second game of the series will be on Monday night August 13 at 8:30 p.m. in Lindsay, with the third game back in Minden next Wednesday, August 15.

Tournament

The Rockcliffe Invitational Fast Ball Tournament gets underway this weekend, August 10, 11 & 12 at the Minden ball park. This promises to be an action packed tournament as 16 teams take part from Friday night to Sunday night.

It will all kick off at 7:30 Friday night with three games, Saturday morning from 8:30 a.m. to mid-night, Sunday morning at 8:30 a.m., until a winner is decided sometime around 9:00 p.m. Sunday.

Friday night

7:30 - Minden vs. Lindsay

9:00 - Huntsville vs. Gull Lake

10:30 - Toronto Coasters vs. Hollingers Tavern

Saturday morning

8:30 - Mississauga vs. Newmarket

10:00 - Bradford vs. Toronto Athletics

11:30 - Sutton vs. West Guilford

1:00 - Toronto Type-Hi vs. York Royals

2:30 - Toronto Exports vs. Aurora

There will be a refreshment booth on Saturday and Sunday and Harry's food booth will be open all weekend.

Let's get out and enjoy a good weekend of fast ball.

CORPORATION OF THE
TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth, to stop up and close a portion of the 'old Cameron road' right-of-way, located in part of Lot 2, in Concession 13; - being Part 2 on Survey Plan 19R-3043, adjacent and abutting Instrument Numbers 126639 and 70019, in the Township of Lutterworth and to convey the aforesaid Road Allowance Portion to the abutting property owner.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of The Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden, on Highway No. 35, on Thursday, September 20, 1984, at the hour of 7:00 o'clock P.M., a By-law to stop up and close the parcel of land more particularly described as follows: -

SCHEDULE "A"

ALL of that part of the "old Cameron Road' right-of-way, located in part of Lot 2, in Concession 13, adjacent and abutting Instrument Numbers 126639 and 70019, in the Township of Lutterworth, in the County of Haliburton, designated as Part 2 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-3043.

AND, in addition, to convey Part 2, to the owner of the abutting Instrument Numbers 126639 and 70019.

A copy of the Survey Plan 19R-3043 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that, before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 24th day of JULY, 1984.

Mr. Wayne D. Hughes
Clerk-Treasurer
P.O. Box 176
MINDEN, Ontario

senior league

by Bert Harrison

Dear readers, another week has gone by since I penned my last Senior League letter. I will see if I can find some news and try to do better. The Ray Ushers came again last Friday, entertained us royally. Fine piano music he does play.

We have two new residents, Mrs. Moon and William Moore. We welcome them, they'll be well looked after, we are very sure.

Some had visitors over the weekend and I will just say this, we will not mention any names in case some we miss.

In the chapel service Sunday evening from Hebrews 12th chapter, Rev. Burgess a very impressive message did bring.

Edna Cowen spent the weekend with her daughter Marie Baker. I guess she had a real nice time, different places they did take her.

Lily Hogg had company and wasn't left in the lurch. She got all dressed up and went to Minden Church.

Our head cook Mark Schell is back from a week's holiday. And while he was out we hope he got some nice lake trout.

Mr. and Mrs. R. Cooper of Brantford and Muriel Brown who have been visiting up this way, came in to see me before leaving town.

I haven't mentioned our cleaning staff for quite some time. How they keep this place so clean and really make it shine. How they clean, dust and scrub. The floors they even wax. When they get their wages they shouldn't be charged tax. Our laundry workers, when our dirty clothes we shed, wash them, bring them back all folded, and left upon our bed.

Morris Windsor came Monday, had lunch with me and said to remember he would be leaving for the sunny south some time in September.

Roberta Walker, with the ladies in the craft room today. Helping out for Doris Robertson who is on holidays.

Tuesday morning Pastor Ward Tailor of the Haliburton Gospel Lighthouse conducted a very interesting service in the chapel this lovely July day. Fred Ballard came, the music did play.

It is good to have Linda English back after her holiday. She is taking over when her sister Doris is away. Linda showed us movies Tuesday afternoon which gave us a thrill. Pukiskawa National Park, Rocky Mountains and For You Mr. Bill.

Tuesday night, Gordon Houghton and Norm Graham came, entertained us fine, coming in next Tuesday night with a larger group next time.

Well readers, it is raining again. Have you noticed how much water there is in the lakes and rivers due to so much rain.

While our cleaning staff works so hard to keep this place so clean within, our maintenance staff works hard too to keep it nice without. They trim the hedge, cut the grass, look after all the flowers, to keep the outside looking so nice they spend many hours.

Thursday afternoon the ladies of Minden Fatima brought in and served a lovely lunch. While this was going on we were royally entertained by Toos Reid and Debbie Vaughan, with music and song. This we enjoyed so much, these two fine young ladies really have the touch.

Friday afternoon we played the quiz game again. You have to put on your thinking cap, if you want to win.

Our piano player came again Friday night. Ray Usher, he plays fine music and does the job just right.

The ladies that live next door to me are gently quietening down. Lily takes a walk around the block and sometimes to town.

Some people look intelligent when they wear glasses, but it's only an optical illusion.

The annual Red Cross bazaar was held Saturday in Minden. The group was the first to utilize the newly constructed Main Street park gazebo. A wide variety of crafts, baked goods and other items attracted a steady stream of appreciative buyers. All funds raised for the sale will be used to further the work of the Red Cross.

$1730 for CAT

A dance, sponsored by the Galway Cavendish Culture and Recreation committee has raised $1730 in support of the purchase of the Cat Scanner for Peterborough Civic Hospital.

The dance was held last week at the Galway Hall.

According to the chairlady of the organizing committee, Merle Villeneuve, the group received excellent support from all sectors of the community in their fund raising effort. She noted that the Galway Cavendish township council agreed to waive the usual hall rental fee, because of the special nature of the event. The hall sub-committee also waived the bar and kitchen rental fees to add to the amount raised.

Also added to the donation was a $250 contribution from the Cavendish Volunteer Firemen, who had raised $250 at a bingo.

Merle also extended special appreciation to the co-ordinator of the fund raising effort, Jean MacLellan.

4-H - a family affair

A keen 4-H member often goes hand in hand with a supportive parent.

And it's that way because a parent's interest in 4-H is catching. It motivates a 4-H member to do well in the club.

The role of the 4-H parent can be crucial to the success of a 4-H club. Not only does the parent encourage the member, but the parent provides the important link between 4-H and the community.

When their child joins 4-H, parents want to know about the philosophy of the program, the expectations which will be placed on their child and the opportunities provided by the 4-H program. Answers to these important questions can be provided by leaders or the local Ontario Ministry of Agriculture and Food staff.

Parents can easily become involved in 4-H. Driving members to meetings or asking their son or daughter about the meetings is a start. Parents can encourage project work at home and attend 4-H activities too. Or, by simply asking a club leader what they can do to help in the general running of the program, a parent can support the 4-H club.

As a parent, being involved in your family's 4-H work is an investment in time but the rewards are worth it.

For more information about the 4-H program, contact Christine Dukelow, Rural Organizations Specialist, at the Lindsay Agricultural Office, 322 Kent Street West, Lindsay. Telephone 324-6125 or Zenith 97920.

Bill SCOTT
Victoria & Haliburton Riding

HOW AGRICULTURE AFFECTS US
Farmers have been caught in a cost-price squeeze by the Liberal government. It has caused:
- an 800% increase in farm bankruptcies
- a 12% decline in the number of farms
- a 100% increase in Farm Credit Corporation interest rates
- a 450% increase in farm operating costs

To help the farmers of Victoria-Haliburton and across the country a PROGRESSIVE CONSERVATIVE government will:
- Abolish capital gains tax on the sale of farms as long as they remain farms
- Reduce the price of fuel for farm use by removing the 9% federal sales tax and stopping the collection of the current excise tax
- Extend and expand the Farm Credit Corporation's special interest rate subsidy
- Establish an Agribond Program to allow Farm Credit to provide loans at reduced interest rates

around the county town

Call 286-1288 — 9 a.m. - 4 p.m

Phil Robinson celebrated his 75th birthday on Monday, July 30th at the home of Janice and Jack Shaw. Also present were Leslie and Minnie Robinson and son Rick of Lindsay. A delicious meal was enjoyed:

* * *

Janice and Jack Shaw, Douglas and Karen Shaw of Minden and Bradley Robinson of Toronto spent a few days in London visiting friends and enjoying the city's lovely scenery.

* * *

Club 35 winners for last Monday were most lone hands Joke Sevink, high lady - Helen Davis, high man - Cecil Burk. The door prize was taken by Cecil Burk and other prizewinners are Jean Burk, Jim McCarthy and Sandy Bither.

* * *

Mr. and Mrs. Bill Burnett and son Mike of Michigan, were house guests of the Earl Hewitts of Minden last week.

* * *

Children aged 3 to 13 are invited to attend the ecumenical school August 13 to 17 at St. Paul's Anglican Church. The special program of music, games and fun is being sponsored by the United, Anglican and Roman Catholic churches of Minden. There is no charge. The program will run from 9 a.m. to noon each day.

* * *

Last Sunday the congregation of Minden United had as their guest minister, Rev. Harry Herlihey of Waterloo. Mr. Herlihey has many connections in this area. His great- grandmother Elizabeth Gilchrist Clarke, a widow, blinded when her twin girls were born, braved the voyage to this new land.

Rev. Herlihey was born in Kinmount and grew up in Tory Hill. He attended Albert College, Western University, London and Immanuel College in Toronto. Rev. Herlihey is conducting the service again this Sunday, don't miss it, a warm welcome awaits you.

* * *

We were happy to see Loyne and Ev Cox home from their very eventful vacation. At 5 p.m. on June 29, 1984 they set sail for Alaska from Vancouver on the Sundancer Cruise ship. At 12 p.m. that same night the ship ran aground putting a thirty foot gash in the starboard side. They were able to return to a pier at Campbell River where five hundred passengers abandoned the ship. From there they were bussed to Comox Army Base where they were treated royally. In the afternoon they were flown by C.P.Air to Seattle where the Sundance Cuise headquarters is located. After two days there, they flew on to Thousand Oaks, California to continue their vacation (without luggage), with their son, Ivan and his family. Ivan is a captain with United Air Lines. A month later they returned to find their luggage at Peterborough customs. They have nothing but praise for the way this unfortunate incident was handled by the crew and the good folks who turned out to help at Campbell River, Comox Army Base and the Sundance Cruise Company.

* * *

Thursday card party results for this week, were, lone hands on a cut, Vera Ward. Other winners for the day were Shirley Elcombe and Ruby Schmidt.

* * *

We were very happy indeed to receive a visit from our friend Yvonne Guida who is home again after surgery at Ross Memorial hospital. She looks very well and is very happy to be home again. Yvonne brought us another of her poems and we are please to share it with you.

* * *

We understand that the 1984 Gelert Olympics (in direct competition to Los Angeles, no doubt) were held at the home of Caryl and Bill Douglas last Sunday and everyone who attended had a marvellous time. Teams travelled from all over the county and beyond to take part in this event and even a boycott group from upper, lower and middle Gelert made their presence known. The 1984 Drag River Queen contest was a howling success and one person we heard burst a blood vessel in her cheek laughing so hard. Keep up the good work Caryl and Bill, you made a lot of people very, very happy.

My thoughts before surgery

I look up into the eyes of God,
Not **THE** God
MY God
The one with the scalpel in his hand
Who will save my life.
Actually it was my Brandy who made me aware -
Who found the lump
When she jumped against me in play -
All of a sudden, it hurt!
There are two marvelous healers that I know
And I love them both for all their caring.
A little time, a little compassion means so much-
You think in the maelstrom of life, no not me -
But it is true that a strange finger of fate
Moves on across the page and suddenly **your** name stands out!
It is **you** your name appears.
Those men were gentle, but truthful and it hurt like Hell!
But I am still here, feisty as ever
And for my dear family who came through when I needed them most,
My dear friends, and that fine chaplain who came to see me everyday
With his word, his firm handshake and kindly smile,
To the dedicated nurses, God Bless you all!

Yvonne Guida

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What is the best eavesdropper?
A: An icicle.

* * *

Q: What did the ground say when it began to rain?
A: If this goes on for long my name will be mud.

* * *

Q: What has fifty heads but can't think?
A: A box of matches.

* * *

Q: What always goes to bed with his shoes on?
A: A horse.

* * *

Q: When you look around on a cold day what do you see on every hand?
A: A glove.

200 take in second ATC race

Over 200 racing fans enjoyed the sunny weather and the excitement of the Highland Cup ATC races held in Minden on Saturday, August 4.

Allan Bruce of Douglas, Ontario dominated the event, driving to five first place and two second place finishes.

Jeff Howe of Minden continued his strong showing this season as he placed second in four of the classes.

The ATC track, located behind the Minden Arena proved to be as challenging as ever. Drivers had to cope with dry dusty conditions on the twists and turns over the high ground and a long muddy section at the end of the backstretch.

The large number of volunteers ensured that the event was the best organized race of the season.

The race was the second of three races that make up the Highlands Cup Competition. The last race of the series will be run on September 1. The racer who has accumulated the most points will be awarded the Highlands Cup by the Haliburton County Snowmobile Association, sponsors of the races.

The following is a list of the winners in each class.

0 - 125 Non Suspended Stock: 1st Allan Bruce, 2nd Glen Plooard.

125 - 200 NSS: 1st Mike Kuno, 2nd Allan Bruce, 3rd Lynn McAllister.

200 - 225 Suspended Stock: 1st Allan Bruce, 2nd Jeff Howe, 3rd Jim Bogart.

250 SS: 1st Allan Bruce, 2nd Jeff Howe, 3rd Jim Bogart.

0 - 125 Modified: 1st Mike Kuno, 2nd Allan Bruce.

125 - 200 Modified: 1st Allan Bruce, 2nd Jeff Howe, 3rd Mike Kuno.

250 Modified: 1st Allan Bruce, 2nd Jeff Howe, 3rd Chuck Collins.

Open Modified: 1st Steven Stewart, 2nd Chuck Collins, 3rd Scott Denham.

Powder Puff: 1st Lynn McAllister, 2nd Lori Robathan, 3rd Tami Mashinter.

Committees to study changes

- by John Eakins, MPP -

Premier Davis recently announced appointments to two of the three commissions that he indicated would be established in his statement to the Legislature of June 12 on the extension of the Roman Catholic separate school system. An announcement of appointments to the third commission, on the role of independent schools, will be made very soon.

Planning and Implementation Commission

As the first step toward the creation of Roman Catholic School Boards, which are part of the public system and responsible for both elementary and secondary education, a Planning and Implementation Commission has been established. This commission will guide and advise all parties on the implementation of this reform.

The commission will be asked to:

- conduct "arbitrations" with respect to any disputes that may arise concerning capital facilities;
- consider the precise legal and financial means by which the new policy can be implemented;
- receive, and adjudicate on, the plans of implementation submitted by the Separate School Boards;
- discuss, and make proposals concerning, the matter of school board boundaries;
- work with the Ontario Teachers' Federation, the school boards, and the Education Relations Commission to ensure that all teacher personnel matters are addressed in a fair and equitable manner.

Ontario Commission to Inquire into the Financing of Elementary and Secondary Education

A commission to inquire into the financing of elementary and secondary education in Ontario has been established. This commission will be asked to:

- study the appropriateness of the current grant plan for elementary and secondary education;
- consider the degree of local participation through property taxes with due regard to local decision - making and accountability;
- study the availability of resources to local school boards in the attainment of educational objectives with due regard for demography and geography;
- consider alternative methods of financing elementary and secondary education with due regard for the allocation of responsibility for fiscal decision - making and accountability;
- address financial issues raised by constituent members of the educational community and other interested parties;
- make recommendations, after due consideration and study, with respect to the matters inquired into by the commission.

Commissioners have been appointed to carry out this inquiry and they will be empowered to request submissions, receive briefs, and have persons with special knowledge in these issues assist them.

Trent Severn news

On Monday, July 30 the Haliburton Lakes storage stood at 84.3%, down 4.5% since the 23rd. This is somewhat greater than the more normal summer time decline of 3.5% per week.

Last week it appeared that increased flows from the Haliburton reservoir lakes could be run through the Kawartha Lakes and down the Otonabee River. The past week has seen a drastic increase in evaporation losses however, so Otonabee River flows have again been reduced to the minimum, and the water used to replace evaporation losses.

Dixie Lee ties Huntsville 1-1

The winning streak of the Dixie Lee soccer team has stretched to two weeks as they played to a 1 - 1 tie with Huntsville.

The heat, along with the experience of the Huntsville squad were good excuses for the locals to falter but they refused to die.

The team played strong defensively and a misfortunate hand-ball led to the goal by the Huntsville team on a penalty kick about midway through the second half. Newcomer Pat Mastrangelo scored the Dixie Lee goal in the first half from a goalmouth scramble. Dixie Lee had many other golden opportunities but failed to convert them into goals.

The team's final home game is at 2:00 this Sunday at Archie Stouffer against Parry Sound. The team would greatly appreciate support for this tough game as they prepare to gear up for the playoffs.

Drug Store; Mae's Country Mart; Highland's Jewellery & China Shoppe; Riverview Furniture; Rockcliffe Hotel; Mabel's Cut 'n Curl; The Storeroom; Jerry's Barber Shop; and Sandy White Woollens. 8B

IN MEMORIAM

CASEY: In loving memory of a dear husband, Warner Casey, who passed away August 11, 1983.

I lost a husband with a heart of gold
Was more to me than wealth untold
He was a person so very rare
Content in his home and always there
I treasure him with love sincere
Beautiful memories of one so dear
God forgive a silent tear
And fervent wish that he was here.

Lovingly remembered by his wife Mary.

IN MEMORIAM

CASEY: In loving memory of our Dad and Grandpa, Wm. Warner, August 11, 1983.
Dad is such a special word
A word that brings to mind
A big warm smile, a helping hand
A way of being kind
Devotion to his family
A word of patience too
Dad is such a special word
Because it stand for you.
Sadly missed by Jean, Douglas, Melissa and families.

WALKER: In loving memory of a dear son, Derek C.H. Walker, who passed away August 5, 1978.
In a little country graveyard
Where the gentle breezes blow
Lies the little boy we thought so much of
That we lost six years ago
Time goes on with many changes
Joys and sorrows, smiles and tears
But his memory will be cherished
With the passing of the years
Never to be forgotten,
Jim and Sharon
